

UNI - LIGHT

LIGHT DUTY RACKING/ LONGSPAN SHELVING

APPLICATIONS:

Light bulk storage, boxes, small stalls, mini warehouses, etc.

CORPORATE PROFILE

Universal Storage Systems, Africa's leading manufacturer of racking and shelving, markets a range of warehousing and storage products and systems.

The company, through the use of it's own research, technology and highly trained engineers, plus access through international relationships, has a reputation of being able to develop solutions for most storage challenges.

Serving the Republic, through a network of company branches and distribution centres, Universal Storage Systems has developed a reputation for excellence in South Africa. The company has also established an expanding base of export countries-such as Namibia, Zimbabwe, Ghana, etc.
